

# Sponsor Our Team

My name is Taylor Munro and I am the President of the Fox Valley Vixens, the local women's rugby club. While there are several opportunities for rugby in the area, we are the only outlet for adult women's rugby in the Northwest and Western Suburbs.

We are based in St. Charles and we travel / interact with many other clubs in the Midwest and beyond! Our team competes against other teams from the Chicagoland area, Central Illinois, Indiana, Wisconsin, and Michigan on a regular basis. Some tournaments we attend host 100's of men, women, and youth teams from all over the country!

It is always fun to play these games and to meet all sorts of different people from around the country, but it is also a lot of work. I am proud of the tenacity and hard work exhibited by all the players on my team. We all put a lot of sweat, tears, and effort into training and game play. Some of our players are mothers, some are in school, some are working full time, some are doing any combination of the three, but we all put our hearts into the game and our team.

Unfortunately, this dedication and hard work is not enough to maintain a successful rugby team. Every season we incur fees for the use of our practice and game pitches. Referees must get paid, and equipment is not free. This is where we hope you will consider helping us.

In exchange for your donation of \$50 or more, we will give you a shout-out on our fan pages and a link space on our website. For \$100 we will put your logo on our team t-shirts. Want to sponsor our entry into a tournament (\$350)? We will put your logo on our tournament banner, exposing your company or business to hundreds of potential clients or customers from all over the Midwest and the country. We would love to give you some photos that you can share with your employees, vendors, customers, and colleagues describing your involvement and commitment to your community as well! I have also included instructions on how you can make your donation a tax benefit for you or your company by donating to us through our governing body, which is a 501(c)(3) organization.

I would love to answer any questions you might have about our team or sponsorship opportunities. Please feel free to call me on my mobile phone at (331) 901 - 9353 or to email our team at [vixenrugby@yahoo.com](mailto:vixenrugby@yahoo.com). Thank you for your time and I hope to be able to speak with you in the near future!

Sincerely,

Taylor Munro  
President
